I was looking at the meeting notes Clean harbors sent. It says in there that we will turn the skeleton Interim Measures Plan around within a week. I don't remember agreeing to this time frame. I thought we just said that we could turn around the rinsate results within a week, if they were presented in a way that is easy to review.

Do you recall us giving them a timeframe for review of the skeleton IRM work plan?

Hello Everyone,

Attached please find the meeting minutes from our call last Thursday. We are working vigorously on the IRM work plan and schedule and will forward those to everyone once they are together or by March 21, whichever comes sooner. Please call or email if you have any questions or concerns.

Thanks,

Mike Stephenson
